Hex Commander: Fantasy Heroes is a turn-based strategy game that takes you through the middle of a war between people, goblins, goblins, elves, dwarves and the undead. Build a strong army and lead your units to victory using the unique skills of your heroes and units. Use ground covers and buildings to improve your stats and defeat your enemies in one player skirmish and Multiplayer PvP mode. Take part in four interesting campaigns, control heroes with unique fighting skills, protect your people and meet powerful enemies. Command units, such as; Infantry, cavalry, mages, mighty siege machines, elven archers, dwarf riflemen and many more. In the People you take on the role of Percival Kent, an experienced paladin sent by the emperor to examine reports of goblin activity in a human settlement. The kingdom is on the brink of war ... Who wants to tear it apart? What alliances will you need to form to face the inevitable invasion of enemies with green skin? Elven's campaign features Arcaena, the leader of elven archers. As you try to find Sylvius - a wise druid who can tame the forces of nature, you will face a powerful goblin mage and his allies. In an orcs and goblins campaign, you can even control a mighty dragon and its sneaky goblin friend, Vulpis, who can deceive his enemies and carry out deadly strikes. In an effort to find the source of artificial floods that have forced your people to search for a new home, you will come across a third playable hero: a mighty orc warrior.
